SIX UNDER-THE-RADAR LABELS TO KNOW

Ring, £790

EMEFA COLE

London-based Emefa grew up in Ghana, listening to stories about heavy rains washing up gold nuggets. She learned the ancient craft of wax-casting, native to West Africa, through an apprenticeship with the goldsmiths of the Asantehene. Her signature is a natural peeling process that reveals different layers of precious metal over time. emefacole.com

Ring, £236

Earrings, £440

ANNE MANNS

Inspired by art, nature and women, Italian jeweller Anne makes earrings and cuffs that look like they're liquid gold. annemanns.com

Earrings, £311

Ring, £409

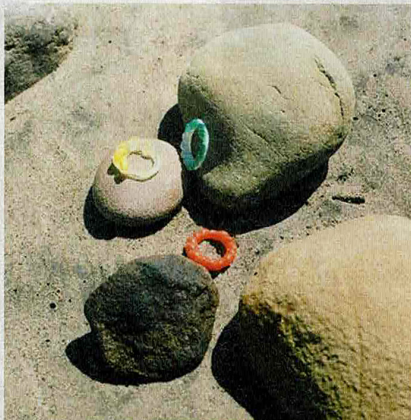

Ring, £409

BEA BONGIASCA
Italian Bea graduated from Central Saint Martins in 2013 and uses rainbow-coloured enamel and shimmering gemstones to make miniature artworks. beabongiasca.com

LEIGH MILLER

Leigh's entire collection of sustainable jewellery is made in LA, from recycled materials as much as possible and stones from conflict-free regions. Her hero pieces are organically-shaped earrings. leighmiller.us
