# Golden Grammar: Add These Letter Jewels to Your Daily Wardrobe

April 5, 2023

*We learn to read, and then we learn to write. Now, let's learn to spell the words that matter most in gold, diamonds and other precious materials. Here are an attention-grabbing selection of letter jewels to inspire your next fine jewellery purchase.*

**A**n engraved bracelet or pendant is one of the most popular fine jewellery pieces to gift. With an inexhaustible variety of words, initials and love notes to spell out, a discrete word here and there that glimmers in gold can elevate a piece from beautiful to sentimental.
